**You have heard me teach things that have been confirmed by many reliable witnesses. Now teach these truths to other trustworthy people who will be able to pass them on to others.**

**2 Tim 2:2 (NLT)**

"The training is refreshing and worthwhile. The facilitator-approach in training and the materials used demonstrate both the learning and practice process. I find the design of the module "simple" to grab, relevant to personal growth, practical for church integrated leadership development, and transferable to those passionate for God's Word—to learn, teach and preach."
